3. With the exception of rehired retired teachers, teachers are placed on the proper step of the salary schedule according to their education, certification status and experience.

Eleven-month teachers shall be entitled to eleven (11) days, the unused portion of which shall be accumulative. Twelve-month teachers shall be entitled to twelve (12) days, the unused portion of which shall be accumulative. Use of sick leave must be no less than one-half (1/2) day increments.

For the 2014-15 school year, teachers may take sick leave in one-hour increments. The Board and FCTA will evaluate this condition of employment after one year of implementation.

- B. Full-time teachers whose sick leave has been exhausted and who have been employed by the system for five (5) years or more may request that the Board consider granting ten (10) days beyond their annual allotment (total of twenty [20] days) for one year.

Teachers will not be eligible to request and receive this grant more than once within a five (5) year period. Special consideration will be given as to the number of such days allowed for regular teachers who are hired for fractional parts of the year.

Additionally, the executive director of Human Resources shall authorize upon request and receipt of acceptable documentation the one time use, per eligible family member, by a teacher of accrued sick leave up to thirty (30) days in the event that the teacher's parent or child living out of the immediate household is diagnosed with a terminal condition. Other sick leave requests for members of the family not living in the immediate household or in excess of that permitted for a parent or child shall be processed as personal leave.

ARTICLE XXI

SICK LEAVE BANK

- F. Teachers who are absent from work four (4) or more consecutive school days may be requested to submit a doctor's certificate to the benefits office stating that they were unable to report for work; however, the Superintendent may require justification of absence(s) whenever there is reasonable cause to believe an absence(s) is/are not bona fide, or the employee is on an action plan regarding unsatisfactory attendance.

Contributors will be permitted to use the bank for payment of prolonged, catastrophic, incapacitating personal illness, injury or quarantine of the teacher during the regularly scheduled duty days, which illness, injury or quarantine is not likely to permanently disable the teacher.
 - B. Annual rates of contribution shall be as determined by the Association and certified to the Superintendent prior to July 1 of each year. The maximum number of sick days that can be granted in connection with any single occurrence of an illness or complications arising from such an occurrence will be equal to one (1) work year. If a member is still unable to return to work after exhaustion of all bank benefits, unpaid leave shall be made available in accordance with Article XXVI, Paragraph I. In lieu of said unpaid leave, the member, at his/her option, may apply for disability retirement benefits; however, in the event that a member who has been retired due to disability desires to return to active duty upon the expiration of such disability retirement benefits, the Board agrees to assign the member to a position in accordance with Article XXVI, Section K. In no case will the granting of leave from the bank cause a member to receive more than his/her annual salary.
 - E. Members must use all accumulated sick leave before applying for leave from the bank. Application for use of the bank shall be made on the required form and submitted to the approval committee.
 - F. An approval committee, appointed by the president of the Association, shall have the responsibility of receiving requests, verifying the validity of requests, recommending approval or

The decision of the approval committee shall be approved by the Human Resources Division unless the decision of the approval committee is arbitrary or capricious. Upon issuance of such approval, the Human Resources Division shall forward the sick leave bank grant to the payroll office.

Such activities might be study leading to a graduate degree with concentration in the individual's current teaching field and/or certification areas or study leading to a bachelor's degree for a non-degree vocational teacher; or study leading to a graduate degree with concentration in an area of specialization other than the current teaching field and/or certification areas or travel.
- B. Upon recommendation of the Superintendent, sabbatical leaves will be granted no more than fifteen (15) applicants per year. All applications will receive equal consideration regardless of when submitted within the above time frame.
- C. No applicant with an unsatisfactory rating on the prior year evaluation will be considered.

Should the teacher not return to the service of the Board, the teacher will be required to refund the salary granted for sabbatical leave.
- H. Upon return from sabbatical leave, a teacher will be placed on the salary schedule at the level the teacher would have achieved had the teacher remained actively employed in the system during the period of absence.

- A. Whenever a teacher is absent from school as a result of personal injury or occupational disease caused by an incident or assault occurring in the course of employment, the teacher will be paid the usual salary less the amount of workers' compensation award for a period not to exceed one (1) full work year, and no part of such absence will be charged to the annual or accumulated sick leave. It is expected that the teacher shall return to work when no longer disabled.
- B. A teacher who is physically unable to report for duty, as a result of an injury in the line of duty, may be placed on workers' compensation leave at full salary provided the teacher seeks the initial workers' compensation assessment from a physician who is among a list of comprehensive preferred providers such as Health at Work in Washington County; Corporate Occupational Health Solutions in Frederick County; and like facilities in the following Maryland counties of Carroll, Howard and Montgomery, as well as Jefferson County, West Virginia, and Adams County, Pennsylvania.

If a teacher elects to seek an assessment from a physician who is not among the list of preferred providers, the unit member will be entitled to receive the benefit mandated by the workers' compensation law of Maryland but will not be entitled to the benefits in this section for full salary.
- C. Teachers shall notify the principal the same day of the occupational disease or injury or as soon as possible, and the teacher shall receive a copy of the report.

- C. Individuals holding these positions may mentor or coach other teachers but shall not participate in the formal observation, evaluation, other teacher discipline or recommend transfer decisions about other teachers. In this scenario, both parties are willing participants.
- D. Compensation for these positions shall be either a minimum of five (5) per diem days of pay or an alternative work year beyond the ten-month teacher calendar. Regularly assigned eleven- and twelve-month teacher positions are not considered alternative work year assignments (i.e., agriculture teachers, school counselors and athletic directors). Principals/supervisors may adjust the workweek schedule for twelve-month teachers serving on school improvement teams when meeting times occur beyond the teacher's regularly scheduled workday.
- E. In order to support the continuous improvement process in schools, different leadership models may be created. Prior to enacting any change, such decision will be reviewed to determine if it is contrary to the current negotiated agreement, using the following process:
 - 1. The school principal will submit a written request to the executive director of School Administration and Leadership outlining goals and rationale.
 - 2. The executive director of School Administration and Leadership will notify FCTA to schedule a meeting to discuss the request.
 - 3. If it is determined that the current collective bargaining agreement precludes the implementation of the decision, joint agreement would have to be reached to either modify the existing negotiated agreement or to pilot the change.

 4. An assignment for activity pay shall be made for the period of such activity and shall automatically terminate at the conclusion of the activity as verified by the principal. All teachers receiving compensation for activities that occur beyond the school day shall be notified of their status for the coming year thirty (30) days after the completion of their activity as verified by the principal. A principal who has concerns with the performance of an individual conducting an activity compensation position shall notify the individual immediately, in writing, as to the specific concerns and recommendations to correct those concerns. These activity compensation and athletic director positions are non-tenured positions.

Each teacher shall be a member of the bargaining unit and subject to the terms of the negotiated agreement between FCTA and the Board of Education. ARTICLE XXXV

GRIEVANCE PROCEDURES

A. Definitions

1. Grievance

A "grievance" is a claim by a teacher of an alleged violation of the interpretation or application of this Agreement.

2. Aggrieved Person

An "aggrieved person" is the person or persons making the claim. If the grievance affects a group or class of teachers or if the alleged violation affects Association rights, the Association may act as the "aggrieved person."

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems that may, from time to time, arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

Informal Level

A teacher with a grievance shall first discuss it with the principal or immediate supervisor directly, the objective being an informal resolution to the matter.

Level One

1. A teacher may present a grievance directly to the principal or immediate supervisor within twenty (20) days of first occurrence or first reasonable knowledge of alleged act. Such grievance must be in writing, signed by the FCTA president and must state specifically that this grievance procedure is being invoked. The teacher may appear alone or with a representative from the Association.
2. Within five (5) days of the receipt of the grievance, the principal or immediate supervisor shall inform the Association and the aggrieved person of the decision and shall provide a statement in writing of the reasons for the decision.

Level Two

1. If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within five (5) days after the presentation of the written grievance, the teacher may file the grievance in writing with the Association within ten (10) days after the receipt at Level One.
2. If it so decides, the Association may refer it to the Superintendent no later than fifteen (15) days after the receipt at Level One.

3. Within ten (10) days of the receipt of the grievance, the Superintendent shall inform the Association and the aggrieved person of the decision and shall provide a statement in writing of the reasons for the decision.

Level Three

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) days after the grievance was received by the Superintendent, the teacher may, within fifteen (15) days after receipt by the Superintendent, request, in writing, that the Association submits the grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration no later than forty (40) days after receipt by the Superintendent. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.

D. Selection of Arbitrator

1. If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of appeal to arbitration, the Association shall submit the grievance to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association.
2. The jurisdiction of the arbitrator shall be confined to the express provision or provisions of this agreement at issue between the Association and the Board. The arbitrator shall have no authority to modify any provision or to hear or decide on more than one grievance without the mutual consent of the Board and the Association. The decision of the arbitrator shall be final and binding on the aggrieved person, the Association and the Board.

E. Miscellaneous

1. The number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite this process. The time limits, however, may be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be waived to that the grievance procedure may be exhausted as soon as it is practicable following the end of the school year.

3. The Association and the Board shall each bear its own expenses in these arbitration proceedings, except that they shall share equally the fee and other expenses of the arbitrator in connection with the grievance submitted.
4. By mutual agreement of the Association and the Board, the time limits stated herein may be compromised to allow the collection of pertinent information and in the interest of prudent resolution of the grievance.
5. If a grievance affects a group or class of teachers, it may be initially filed with the Superintendent at Level Two.
6. Any aggrieved person may be represented at all stages of the grievance procedure alone or with a representative(s) selected or approved by the Association, and the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
7. No reprisals of any kind shall be taken by the Board or by any member of the administration against any aggrieved person, any representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.
8. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
9. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association.
10. All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant(s), the Superintendent and their designated representatives.
11. Should the investigation or processing of any grievance require that a teacher be released from regular assignment, the teacher shall be released without loss of pay or benefits.

ARTICLE XXXVI

GENERAL PROVISIONS

- A. If a provision of this Agreement or any application of this Agreement to any teacher or group of teachers is held to be contrary to law or a court, then such provisions or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- B. This Agreement constitutes Board policy for the term of said Agreement, and the Board will carry out the commitments contained herein and give them full force and effect as Board policy. The Board will amend its written policies and take such other action as may be necessary in order to give full force and effect to the provisions of this Agreement. The Association agrees to abide by all provisions of this Agreement and to use every effort to inform and advise teachers in carrying out its provisions.
- C. A copy of this Agreement will be made available to each teacher in the negotiating unit by the Board.
- D. Negotiations for the successor Agreement shall begin no later than December 1 preceding the expiration date of this Agreement.
- E. If either party declares impasse, the chief negotiators along with three (3) representatives from the Board of Education and three (3) representatives from the FCTA Board of Directors shall meet within ten (10) work days to attempt to resolve the dispute. Should the dispute not be resolved within five (5) work days, the impasse process shall be conducted pursuant to regulations adopted by the Public School Labor Relations Board and in compliance with the Education Article of the Annotated Code of Maryland. The parties further agree to use the American Arbitration Association during the mediation process. If the parties mutually agree, they may choose to use an alternative mediation service. The parties shall share the cost of the mediation equally.
- F. Notwithstanding the provisions contained in Section A, the Maryland Court of Appeals and the Maryland State Board of Education have made significant decisions concerning the legality of topics for negotiations and established criteria for determining the legality of these topics. The Board asserts its intention to comply with the laws and the decision of the Court of Appeals, the Maryland State Board of Education and the Public Labor Relations Board. Therefore, in negotiating the provisions of this Agreement, the parties agree that in the event that any topics or provisions in this Agreement are determined to be illegal by the courts, the State Board of Education or the Public Relations Board, then the topics and provisions of this Agreement related to those topics or provisions determined to be illegal shall automatically be removed from this Agreement. If the Maryland Court of Appeals further rules that any of those topics are legal subjects of bargaining, they shall be re-instated as existed in 1988-89.
- G. If the Maryland Court of Appeals rules that class size is a legal subject of bargaining, Article XXVIII (Class Size) in the 1986-89 Agreement shall be re-instated.
- H. If the Maryland State Board of Education rules that Article VI, Section H is illegal or not to be a permissive subject of bargaining, this section shall be removed from the contract.

ARTICLE XXXVII

DURATION

This Agreement shall remain in full force and effect from July 1, 2014 to midnight June 30, 2017 and incorporate the entire understanding of the parties on all matters that were the subject of negotiations; and, during the term of the Agreement, neither party will be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

The parties will meet on or before:

December 1, 2014, for the 2015-2016 contract for the purpose of negotiating salary and benefits, recognizing the parties are committed to implementation of the salary scale as recommended by

December 1, 2015, for the 2016-2017 contract for the purpose of negotiating salary and benefits only; and

December 1, 2016, to negotiate a successor agreement.

IN WITNESS WHEREOF, the parties hereto have caused this document to be executed by their duly authorized officers this 27th day of August, 2014.

APPENDIX B

OBSERVATIONS/EVALUATIONS

A. Observation Purpose

1. Defined – The FCPS observation and evaluation process is based on a framework of professional practices that recognizes stages of certification and professional growth interests of teachers.
2. Models
 - a. Classroom visitation model is a method of supervision that enables a staff member to work with administrators/supervisors to examine, refine and enhance professional performance through direct classroom observations and conferencing.
 - b. The evidence of effectiveness model is a method of supervision that enables a teacher to confirm competence and document professional growth and student achievement in a selected goal area by providing a systematic and organized collection of evidence.
 - c. The collaborative model is a method of supervision that enables a group of teachers to select a goal area and to explore in depth new ideas/interests in order to refine teaching skills and to promote professional growth and student achievement.

B. Observation Process

1. Non-tenured teachers shall be observed with the classroom visitation model by more than one (1) qualified person a minimum of four (4) times a year: twice during the first semester no sooner than ten (10) days after the first student day of each semester. Except in an emergency, observations will not be made the day before or after Thanksgiving Break, Winter Break or Spring Break, or on conference days. Observations shall be conducted by the principal, assistant principal, director, supervisor, coordinator or instructional staff member certified in the area of concern.
2. Tenured teachers holding an Advanced Professional Certificate (APC) shall be observed by the principal or assistant principal a minimum of once per year and no sooner than ten (10) days after the first student day of each semester. In a non-evaluation year, teachers may choose from one of the three defined models. However, when a teacher is formally evaluated, evaluations must be based on at least two (2) observations in accordance with the classroom visitation model conducted during the school year. The classroom visitation model will not occur during the last ten (10) student days of the school year. Except in an emergency, observations shall not be made the day before or after Thanksgiving Break, Winter Break or Spring Break, or on conference days.
3. Employees who have had at least three (3) years of successful experience with Frederick County Public Schools and are rehired after they have retired from Frederick County Public Schools shall be observed a minimum of once per year, and may select one of the three defined models.
